About this Form:

Tuberculosis, also known as TB, is a bacterial infection that attacks the lungs and sometimes other parts of the body. It is spread when someone infected with the disease coughs or sneezes and the bacteria is inhaled by someone nearby.

Colby Community College requires ALL students to complete a tuberculosis screening questionnaire, per Kansas Statute #65-129e.

Please submit this form before August 15 for the fall semester or December 15 for the winter/spring semester to avoid being dropped from pre-registered classes.
