

# Colby Community College (CCC) – Storage Area Network (SAN) RFP (Submission deadline is noon on 8 May 2024) Revised May 2 2024

### **Overview and Background:**

Colby Community College is located in the northwest corner of Kansas, approximately 50 miles from the Colorado and Nebraska borders. The college was established in 1964; it is a dynamic institution of more than 2,400 students. In addition to a main campus of approximately 60 acres, CCC operates a 60-acre farm for students to use as a hands-on laboratory and training facility.

#### **Project Goals:**

CCC is seeking bids for our on premise Storage Area Network (SAN) for our virtualized servers. This will cover replacement of the existing SAN.

#### **General Information:**

CCC is requesting server equipment to replace our existing all-flash SAN. The quotes must be able to meet the following specifications:

- Include at least a 40TB all-flash storage minimum useable capacity before deduplication or compression
- Include redundant 10GB (or better) Ethernet interfaces (DA/SFP+) for data transport
- Include at least two fully redundant AC power supplies
- Appliance needs to be rack mountable in a standard 19" rack
- Ability to concurrently support multiple protocols, specifically iSCSI & NFS
- Include snapshot, deduplication, and compression features
- Include protection capabilities to prevent accidental deletion, malicious action, or ransomware
- Be in a new factory condition with full warranty
- Include at least a five (5) year parts and labor warranty
- Include replacement of broken and worn out parts under the parts warranty

- Include software support for at least five (5) years
- Include optional parts list for serviceable parts that we could purchase for on site replacements due to logistics, our physical location, and supply chain limitations
- Vendor must supply projected EoL and EoS dates in the proposal
- All hardware devices must include a five-year term support and warranty. Any questions can be directed to Douglass Mc Dowall, Information Technology, at (785) 460-5484 or douglass.mcdowall@colbycc.edu.
- The RFP will be posted on CCC's website, <a href="https://www.colbycc.edu/vendors">https://www.colbycc.edu/vendors</a>, and can be downloaded from there directly as of 5:00 p.m. on 17 April 2024.

## **Project Timeline:**

The bids proposed <u>MUST</u> include an ETA for delivery to CCC before June 30, 2024. If you are not able to meet or exceed this deadline, please provide a timeline that you are able to accommodate.

#### Submission of Pr 223

- 2. All additional options.
- 3. Please disclose the Manufacturer's Suggested Retail Price (MSRP).
- 4. Specific warranty details for each unit proposed.
- 5. Document any related fees or processing fees.
- 6. Document any delivery fees to have the items delivered to CCC.
- 7. Timeframe to secure and deliver items.

to enter into a written contract with the college and provide a performance or public works bond as required by law or the Board of Trustees (where applicable).
