Reporting a Crime

CCC encourages individuals to report all crimes to the CCC Director of Security and Colby Police in an accurate and timely manner. CCC provides several ways to report crimes or other emergencies to the CCC Director of Security or obtain help. It is the college's policy that the CCC community should file a report whenever they observe anything suspicious, believe they have discovered a crime, or come across a hazard which could cause harm to them or others.

Safety in Residence Halls and Campus Buildings

The college provides an effective structure for the protection of students in residence halls. The elements of this system include:

- Door peepholes
- Locked entrance doors
- Available information about steps students can take to maintain their safety
- No visitor requirement for entry between 8 a.m. and 7 p.m.
- Requirement that students escort their guests at all times
- Required programming efforts in areas of safety and security

The college places restrictions on guests, building access, and actions that may have a detrimental effect on student security. Such restrictions include:

- Building entrance only through designated areas
- Prohibition on assisting others to gain unauthorized entry
- Prohibition on propping open doors
- Prohibitions on duplicating or giving a room key to another person
- Prohibition on any activity that would endanger the safety of others

If a student is found to violate any of the above restrictions, the college may impose sanctions or fines on the student.

**CLERY GEOGRAPHY,
CRIME DEFINITIONS,
AND
CRIME STATISTICS**

Crime Statistics

The crime statistics were compiled by CCC Vice President of Student Affairs in cooperation with the local police departments, campus officials having responsibility for oversight of student activities, and relevant local and state Security agencies. Crime definitions are from the Uniform Crime Reporting (UCR) Handbook and sex offense definitions are from the National Incident Based Reporting System (NIBRS) edition of the Uniform Crime Reporting Program. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported. A written request for statistical information is made on an annual basis to all college Deans, Directors, and known Campus Security Authorities. Statistical information is requested and provided to Vice President of Student Affairs by individuals identified as Campus Security Authorities at CCC. All of the statistics are gathered, compiled, and reported to the college community via this report.

CCC Vice President of Student Affairs submits the annual crime statistics published in this report to the United States Department of Education (DOE). The statistical information gathered by the United States Department of Education is available to the public through the DOE website.
